

## Kathy Weber, Partner Visual Management

Kathy brings 20 years of experience as a Graphic Designer working with organizations to develop visual communications. Kathy has delivered a portfolio of materials including presentation briefings, brochures, collateral, posters, newsletters, annual reports, infographics, organizational identity elements and dashboards.

Prior to joining the Weber Group, Kathy held numerous design positions within the U.S. Government (NOAA, Navy Department), and Life Technologies, Inc. She also managed an independent graphic design firm, Weber Design in Washington, D.C.

Kathy graduated cum laude from American University in Washington, D.C. earning a B.A. in Graphic Design. She is a member of the American Institute of Graphic Design, Phoenix. She is passionate about music and is currently studying Jazz piano, is an advocate for fitness and nutrition, and spends leisure time working on fine art projects.
